

Web Developer

Looking for a new challenge? Love designing website look no further....

At Red Dune Web Design, we pride ourselves on creating and delivering beautiful, dynamic websites for our customers at cost effective prices.

Based near Bungay in Suffolk with clients across East Anglia we now have an exciting opportunity for an experienced Web Developer to join our growing team.

You will design bespoke websites for our clients and update them as the need arises.

Experience required for role:

- Ideally educated to GCSE level with preferably a minimum of 5 GCSEs including English, Maths and ICT
- Excellent technical skills in programming
- Experience of website design in a client facing environment
- Ideally experience in ASP.NET and MS SQL server.
- The ability to provide a first-class customer service to clients to understand their needs and resolve any technical support issues in a timely manner
- Ability to research current design trends and keep up to date with new software and hardware developments.
- The capability to work to very tight timelines
- Flexible attitude to working hours to ensure our customers' requirements are met
- Confidence to work unsupervised as well as part of a team
- A "can-do" attitude and approach to tasks

What we can offer you:

- Competitive salary
- Workplace pension
- Full and part time available - 12.5 to 37.5 hour week
- Work from home or in our office
- Excellent opportunities in career development as part of a small team

To apply please send a CV and covering letter with current salary details to careers@reddune.com

No agencies or job boards please. Only potential employees need contact us please.
